Sponsorship Level Support

The Greater Hartford Festival of Jazz (GHFJ) is New England's largest FREE outdoor jazz festival. It is traditionally held the third weekend in July in Hartford, CT's Bushnell Park, America's oldest public park. We offer three nights and two days of music for lovers of jazz and their families to enjoy, featuring both world-renowned artists and talented local musicians. The GHFJ is a non-profit, relying on sponsorships and donations for support and volunteers to ensure that our beloved production goes on each year. We need your help to promote, to volunteer, to contribute, and to attend.
