The 35th Anniversary of the Greater Hartford Festival of Jazz
July 18–20, 2026.
The Greater Hartford Festival of Jazz proudly celebrates its 35th year as New England's largest FREE outdoor jazz festival. Traditionally held on the third weekend in July at Hartford's historic Bushnell Park — America's oldest public park — the festival offers three nights and two days of unforgettable music for jazz lovers to enjoy.
From world-renowned artists to gifted local musicians, the lineup embodies our theme: "Legacy in Every Note." The GHFJ remains a non-profit organization, relying on sponsorships, donations, and the dedication of volunteers to ensure that the "show goes on!" We invite you to join us in sustaining this legacy. Please support us with your sponsorship and help us continue bringing world-class jazz to Hartford for generations to come.
